## Show description:

Come along with Benny on a musical adventure as we visit Helen on her farm, and learn all about the fascinating world of bees. Benny has heard that bees are really important for the planet and wants to ask bee expert Helen lots of questions. Benny's curiosity gets him into a few sticky situations, but Helen is there to point him in the right direction. All the new things Benny learns give him ideas for songs, which reinforce the lessons we've learned. So join Benny and Helen as we sing, dance and learn - all about bees!
